

Thank you for giving us the opportunity to quote you on affordable car rentals!

We at Rosedene Lodge on the Atlantic Seaboard in Cape Town would like that you get the best deals possible for the time you spend in the Western Cape.

We therefore have worked out the following, offering different, attractive solutions for your car rental requirements:

The 'All Inclusive Package':

This is offered in conjunction with AVIS, one of the worlds leading car rental companies; it includes:

- maximum theft and collision damage waiver (now also including tyre, rim and hubcap damage, water and under-carriage damage as well as windscreen damage/repair)
- Liability amount: NIL
- personal accident insurance
- claim administration fee in the event of damage or theft

The prices we are able to offer are very attractive and highly competitive. Kindly let us know which of the following type of car you are interested in as well as the rental period and place of rental and return.

- Group P (e.g. Opel Corsa) : manual, a basic car with no power steering, aircon or radio
